

PCQHA Board of Director Application Now Online

The new application for the PCQHA Board of Directors has been posted at www.pcqha.com. Those PCQHA members who have served on PCQHA committees and otherwise provided volunteer or financial support to PCQHA will now have the opportunity to highlight that support on the application.

The PCQHA Nominating Committee expects to request member suggestions for potential nominees by e-mail on or about September 14, 2018. Proposed nominees must have been PCQHA members for at least one year. All proposed nominees that are eligible will then be asked to complete the application.

All applications will be reviewed by the Nominating Committee which will then recommend nominees to the board of directors for consideration at the October board of directors meeting. The election of new board members by the general membership will occur in November.

For further information about being a PCQHA board member, click on the following links:
