## **For Immediate Release:**

### **Pacific Coast Quarter Horse Association (PCQHA) Moves Office to Paso Robles and launches PCQHA.com**

PCQHA's long-time employee Jane Goddard is officially retired on December 31, 2014 after 41 years of service to the Association. Jane will continue to be available to the Association on a part time basis for a number of months. We are honoring Jane for her years of service to PCQHA at our annual awards banquet at the Rancho Murrieta Country Club on February 14, 2015. We hope that you all will join us in honoring Jane at that time. For banquet reservations, contact the PCQHA office at (530) 823-5991.

In conjunction with Jane's retirement the PCQHA office relocated to Paso Robles on January 2, 2015. We are pleased to announce that Annie Fike has been hired to assist the Association in its new location. She works Monday through Thursday from 8:00 A.M. – 2:30 P.M. Annie comes to us with a wealth of horse knowledge, plus skills in communication, office and creative.

The physical address of the new Association office is 935 Riverside Avenue, Suite 17, Paso Robles, CA 93446. The new telephone number is (805) 226-7509, although the existing number ( (530)823-5991) will remain active for a period of time.

While we have made every effort to assure that the PCQHA office will continue to function smoothly we have no doubt that there will be a period of transition. Simply said, there is no replacing Jane! We would ask all members and others who interact with the office to both welcome and have patience as Annie settles into her new role as PCQHA staff.

In addition to the new location, PCQHA is excited to share it's new website: [www.PCQHA.com](http://www.PCQHA.com). The PCQHA website was designed for members to easily navigate and learn about the benefits and opportunities of the association, as well as keep current on point standings and news.

As always, feel free to contact any member of the board of directors with any questions or concerns you may have during this transition period. Contact information for all of the directors is on the website ([www.PCQHA.com](http://www.PCQHA.com)).
