

## State Qualifying Tips and Reminders

A Current PCQHA/PCQHYA membership is required of the exhibitor AND the owner of the horse.

All PCQHA Shows and Events will count for points towards youth qualifying on the weekends only.

It may be to your advantage to show in 18 and under classes, (not split classes) as those classes are usually greater in number, so more PCQHYA points are available to be earned.

If participating at a show with AQHA leveled classes the youth must enter the level 3 division for points to count toward State Qualifying.

Check the website point standings for Youth World Show State Qualifying and make sure you are listed.

We are looking forward to presenting a strong California team at the 2014 Youth World Show. Best of luck to you all!
